Sara –

What you have below is correct.

Subject: WY RH Notice and formatting - confirming

Hi All

We had our fall law clerk proofread the legal section on Friday, and wanted to confirm the following

1. Where we refer to Wyoming, we use "State" (not state)
2. Where we refer to states, and not Wyoming in particular, we use "state" (not State)
3. Where we refer to "Wyoming regional haze SIP", or "Wyoming regional haze plan", we refer to them as I have typed them in this example.
4. Where we refer to Wyoming, we use the full name, not WY

Let us know if you all are doing this differently.

Thanks,

Sara L. Laumann
